About Us

Established in the year **2001**, we "**Rishi Seals Private Limited Beeta**," is engaged in manufacturing and exporting a comprehensive range of Metal Hinges and Door Accessories across the nation. Our products range includes Steel Metal Hinges, Door accessories and Friction Hinges. These are manufactured using high grade raw material such as iron and stainless steel that is procured from reliable vendors to ensure quality of the end products. Our range is successfully catered to meet the requirements of construction industry.

We follow statutory principals and norms of the construction industry and make sure that our range of products is in compliance with the set international standards of quality. This helps us in assuring that the built using our products are strong and can with stand moisture or other adverse conditions. We have a team of expert, which is well versed with the required procedures of fabricating the hinges and other allied products. These professionals make use of available resources in proper manner to ensure that our production cost does not exceed the estimated limit. Our Manufacturing Brand are **Beeta** and **Saswar**.

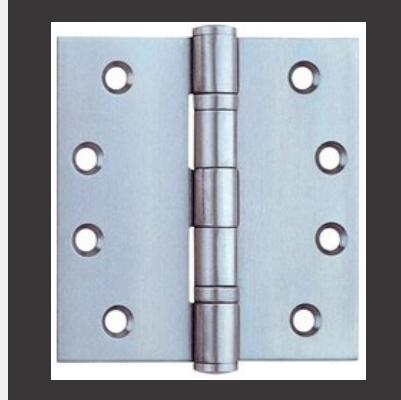

We are progressing under the able guidance of our owner, **Mr. Prashant Garg**, whose wide industry experience and business acumen has enabled us to carve a niche in the domain.
